Title: Promises, Promises

Passage: Zechariah 9

Date: 03/24/24

The Trailhead:

What is the most difficult to keep promise you have ever made? How did you keep (or not keep) it? What are some promises others have made to you?

Discussion:

v.1-8

How do God's promises to the Israelites lead them to peace and trust in what He says? Is the hope found in God's Word enough for us?

v.9-10

How does Jesus differ from the other kings of the age? How has He proven Himself to be those things in your life?

v.11-17

What hope do we find in these final verses? What evangelistic action should they drive us to?
