## **The Trailhead:**

Share with the group about the person or people who led you to faith in Christ. What did they do that impacted or convinced you of the truth of the Gospel?

## **Discussion:**

### **v.1-7**

What three things does God use to spread the Gospel through the apostles in this passage? Which of the three is most difficult for us? What role do you believe miracles play in our own lives? How does Satan seek to deceive us when it comes to sharing the Gospel with unbelievers?

### **v.8-20**

Look at the three key points of Paul's message that Torrey highlighted on Sunday. How does Satan seek to undermine these truths? What role does Satan actually play in our world and our lives today? How do we combat the tactics of the enemy? How do we ensure that we take Satan seriously, but not give him too much power in our minds?

### **v.21-28**

Paul and Barnabas preach a message that encourages the believers to stay strong in battle against the enemy. What do they instruct and how can we apply these things to our daily lives?
